DVD PLAYERS & DVD RECORDERS
A GLOBAL STRATEGIC BUSINESS REPORT

CONTENTS

I. INTRODUCTION, METHODOLOGY & PRODUCT DEFINITIONS
- Study Reliability and Reporting Limitations .................. I-1
- Disclaimers .................................................................. I-2
- Data Interpretation & Reporting Level ........................ I-2
- Quantitative Techniques & Analytics .......................... I-3
- Product Definitions and Scope of Study ....................... I-3
- DVD Player .................................................................... I-3
- DVD Recorder .............................................................. I-3

II. EXECUTIVE SUMMARY

1. Market Outlook .............................................................. II-1
   DVD Industry - An Introduction .................................. II-1

2. Market Analysis .............................................................. II-2
   DVD Players and DVD Recorders ................................ II-2
   Regional Perspective .................................................... II-2
   Product Segment Perspective ...................................... II-2

3. Industry Overview .......................................................... II-3
   DVD Recorders to Prevail over DVRs ......................... II-3
   DVD Recorders Take Over DVD Players ...................... II-3
   Reduced Prices Drive the DVD Market ..................... II-3
   Piracy Hinders DVD Sales Growth ........................... II-3

4. Product Overview ............................................................. II-5
   Digital Video/Versatile Disc (DVD).............................. II-5
   DVD Player................................................................. II-5
   DVD Player Types ........................................................ II-5
   Single-Play DVD Player .............................................. II-5
   Multi-Disc DVD Player ............................................... II-5
   Portable DVD Player .................................................... II-5
   Progressive Scan DVD Player .................................... II-6
   DVD Recorder .............................................................. II-6
   Formats for Recordable DVDs .................................... II-6
   DVD-R ........................................................................ II-6
   DVD-RW ..................................................................... II-6
   DVD+RW ................................................................. II-6
   DVD-RAM ................................................................. II-7
   DVD+R ................................................................. II-7
   DVD-R DL .............................................................. II-7
   High Density DVD (HD DVD) .................................... II-7
   DVD Burner ............................................................... II-7
   DVD-Audio (DVD-A) .................................................. II-8
   DVD-Video Vs DVD-Audio ......................................... II-8

5. Competitive Scenario ....................................................... II-9

6. Technological Developments ........................................... II-10
   China Unwraps Enhanced Versatile Disc (EVD) ........... II-10
   Pioneer Develops DVD-R Dual-Layer Recording ........ II-10
   Technology ............................................................... II-10

7. Product Introductions/Innovations ................................ II-11
   Toshiba to Unveil Latest Series of DVD Recorders ...... II-11
   Toshiba To Introduce New Range of Portable DVD players .................................................. II-11
   Toshiba to Unveil DVD Players ................................... II-11
   Toshiba To Release DVD/VCR Combo ....................... II-11
   Sharp Corp. To Unveil Blu-ray DVD player .................. II-12
   Blue-ray HD-DVD Player Hit the Chinese Market ...... II-12
   Asda Stores Releases Low-Cost DVD Players .......... II-12
   Reliance Retail Stores To Sell DVD Players for Just US $ 10.......................................................... II-12
   Toshiba Unveils New HD DVD Player ...................... II-12
   LG Electronics Unwraps Dual-Format DVD Player .... II-12
   SanDisk Corporation Launches USBTIV ..................... II-13
   Samsung Introduces Next-Generation HD DVD Player ... II-13
   Toshiba Unveils HD DVD Players in Turkey ............... II-13
   Toshiba Extend the Series of HD DVD Players .......... II-13
   LG Electronics Unwraps Its New Line of DVD Recorders II-14
   LG Electronics To Unveil Portable DVD Player .......... II-14
   LG Electronics Debuts DivX Certified In-car DVD Player .... II-14
   ClearPlay Introduces DVD Player to Filter Offensive Content ..................................................... II-14
   Toshiba’s HD DVD Players to Hit Turkey Market ....... II-15
   Samsung Develops Dual-Format Player ....................... II-15
   Audiovox Extends its Portable DVD Line-up ............... II-15
   BestQ Unwraps DVD Re-Writers ................................. II-15
   JVC Extends The Series Of High-End EXAD ................ II-16
   JVC Introduces New DVD/VCR Recorders ................. II-16
   JVC Unveils DVD/VCR Combo and DVD Players ....... II-16
   JVC Introduces DVD Recorder Combo ..................... II-16
   JVC Unwraps New DVD Burner ................................. II-17
   JVC Releases Single-Sided DVD-R Dual Layer (DL) Discs ..................................................... II-17
   NXP Unwraps Media Processor ................................. II-17
   LG Electronics Introduced DVD-Writer and Full HD Desktop PC .............................................. II-17
   Pioneer To Unveil HDD/DVD Recorders in Japan ....... II-18
   Pioneer Launches HDD-Based Car Navigation System in China .................................................. II-18
   Pioneer Unwraps Internal DVD Multi Writers ............. II-18
   Panasonic Releases Super Multi-Format Portable & Home-Theater DVD Players ..................... II-18
   Pioneer To Introduce Dual-Layer DVD-R Disc .......... II-19
   Panasonic Releases New DVD Recorders ................... II-19
   Samsung Announces DVD/VHS Combo Player Series ... II-19
   Samsung Develops Up-Converting DVD Player Series .... II-19
   Samsung’s Family of DVD Recorders Hits Market ...... II-20
   Samsung Introduces Portable DVD Players ............... II-20
   Panasonic Releases DVD Camcorder Family .............. II-21
   JVC Launches DVD and DVD/VHS Recorders ............ II-21
   4X Single-Sided, Dual Layer DVD-RW Disc from JVC .... II-21
   Advanced DVD Player From JVC Hit Market .......... II-21

Table 1: Leading Players in the Global Market for DVD Players: Percentage Breakdown of Unit Sales for Toshiba, Sony, Samsung, Panasonic and Others for the Years 2004, 2005 and 2006 (includes corresponding Graph/Chart) ........................................ II-9
